

THE QUIZ BAR

THE BOOK OF GENERAL KNOWLEDGE

VOLUME 2 / RAISE THE BAR

YOUR COMPLIMENTARY SAMPLE

One complete quiz, plus answers and a score sheet

Good questions. Better company.

Welcome to The Quiz Bar. Pick a quiz, gather your favourite people and give your curiosity somewhere to go. Play as teams, challenge a friend or enjoy a quiet round on your own.

Each quiz has five rounds of ten multiple-choice questions. Choose A, B, C or D. Award one point for each correct answer, for a maximum of 50 points. Agree any house rules before you begin.

Every quiz mixes eight subjects. Difficulty varies within each quiz; the week numbers organise the collection and do not rank the quizzes by difficulty.

Keep the answer section out of view while you play. Each answer has a short explanation and a linked source, so the conversation can keep going after the score is settled.

For a tie-break, ask tied teams how many questions they answered correctly in the final round without consulting their sheets. The closest prediction wins; use another short round if still tied.

Personal use: print copies of the answer sheets for your own quiz group. Please do not redistribute or resell the book or upload the PDF publicly. For venue or commercial hosting permission, contact support@thequizbar.com.

Edition 1 / October 2026. Question sources were assembled on 22-24 October 2026. Cultural associations and territorial administration can be nuanced; choose from the options given. Sources may change after publication. Some questions also appear in the free General Knowledge Challenge on thequizbar.com.

[Check this quiz's answers →](#)

The answers, and a little more.

01. A / Bratislava

Bratislava is the capital of Slovakia.

02. A / Chisel

Caelum represents chisel. The IAU lists its English meaning alongside the Latin constellation name.

03. C / Venezuela

.ve is the country-code top-level domain associated with Venezuela.

04. D / South Korea

The World Heritage site Hwaseong Fortress is in South Korea.

05. C / EAD Tokyo Group No. 2

"Super Mario 3D World" was developed by EAD Tokyo Group No. 2.

06. B / France

Tahiti is administered by France.

07. B / Francisco Goya

Francisco Goya is credited with painting "The Third of May 1808".

08. C / 1863

Sir Austen Chamberlain was born in 1863. The Nobel Prize in peace followed in 1925.

09. D / J. R. R. Tolkien

J. R. R. Tolkien wrote "The Two Towers".

10. A / Ansfelden

Anton Bruckner was born in Ansfelden.

11. A / Moscow

Alexander Scriabin was born in Moscow.

12. C / 1757

The Battle of Plassey took place in 1757.

13. A / 66

Dysprosium has atomic number 66, which means every atom of this element has 66 protons in its nucleus.

14. B / Uranus

Titania is a moon that orbits Uranus.

15. B / Germany

The city of Berlin is in Germany.

16. B / 1891

Pär Lagerkvist was born in 1891. The Nobel Prize in literature followed in 1951.

17. D / Santa Monica Studio

"God of War: Ascension" was developed by Santa Monica Studio.

18. C / Cape Verde

The World Heritage site Cidade Velha is in Cape Verde.

19. C / Oscar Wilde

Oscar Wilde wrote "The Picture of Dorian Gray".

[Click an answer to open its reference source.](#)

The answers, and a little more.

20. C / NASA

The Magellan mission is associated with NASA.

21. B / NASA

The Voyager 1 mission is associated with NASA.

22. C / England

England defeated Australia after extra time in Sydney, with Jonny Wilkinson kicking the decisive drop goal.

23. D / France

Stadium Municipal is a football stadium in Toulouse, France.

24. B / United States

The city of Indianapolis is in the United States.

25. A / silicon

The symbol Si represents silicon.

26. A / Netherlands

The event Pinkpop Festival is associated with the Netherlands.

27. A / St. Louis

Chuck Berry was born in St. Louis.

28. B / 128

IANA registers TCP port 128 for gss-xlicen. A registered port is a convention, not a guarantee about traffic using it.

29. C / 1877

Heinrich Wieland was born in 1877. The Nobel Prize in chemistry followed in 1927.

30. D / chicken

The scientific name Gallus gallus domesticus refers to the chicken.

31. B / Lordi

"The Arockalypse" is an album by Lordi.

32. C / Vietnam

The World Heritage site Imperial Citadel of Thang Long is in Vietnam.

33. D / 1898

Gunnar Myrdal was born in 1898. The Nobel Prize in economics followed in 1974.

34. B / automobile sport

2024 Formula One World Championship is a competition in automobile sport.

35. C / United States

Glacier National Park is in the United States.

36. C / Playdead

"Limbo" was developed by Playdead.

37. C / 1689

The Treaty of Nerchinsk was agreed in 1689.

38. A / Spain

Abanca Balaídos Stadium is a football stadium in Vigo, Spain.

[Click an answer to open its reference source.](#)

The answers, and a little more.

39. B / Latin script

Glosa is mainly written using Latin script today.

40. A / Hertz

Hertz is the SI unit of frequency. A frequency of 1 Hz means one repeating cycle per second.

41. C / Both inputs are true

Conjunction requires both conditions to hold; it differs from an inclusive OR.

42. A / Italy

Pecorino is traditionally associated with Italy.

43. B / Sweden

Hjälmaren is a lake in central Sweden.

44. B / Lionhead Studios

“Fable” was developed by Lionhead Studios.
