

THE QUIZ BAR

THE BOOK OF GENERAL KNOWLEDGE

VOLUME 3 / LAST ORDERS FOR LEGENDS

YOUR COMPLIMENTARY SAMPLE

One complete quiz, plus answers and a score sheet

Good questions. Better company.

Welcome to The Quiz Bar. Pick a quiz, gather your favourite people and give your curiosity somewhere to go. Play as teams, challenge a friend or enjoy a quiet round on your own.

Each quiz has five rounds of ten multiple-choice questions. Choose A, B, C or D. Award one point for each correct answer, for a maximum of 50 points. Agree any house rules before you begin.

Every quiz mixes eight subjects. Difficulty varies within each quiz; the week numbers organise the collection and do not rank the quizzes by difficulty.

Keep the answer section out of view while you play. Each answer has a short explanation and a linked source, so the conversation can keep going after the score is settled.

For a tie-break, ask tied teams how many questions they answered correctly in the final round without consulting their sheets. The closest prediction wins; use another short round if still tied.

Personal use: print copies of the answer sheets for your own quiz group. Please do not redistribute or resell the book or upload the PDF publicly. For venue or commercial hosting permission, contact support@thequizbar.com.

Edition 1 / October 2026. Question sources were assembled on 22-24 October 2026. Cultural associations and territorial administration can be nuanced; choose from the options given. Sources may change after publication. Some questions also appear in the free General Knowledge Challenge on thequizbar.com.
